

Each cooler will be numbered 1 to 8, with the teacher's name room grade and number of kids.

In each cooler put an ice pack from the freezer and fill the plastic bin with perishable items (veggies, fruit, yogurt, cheese, dip).

Place plastic bin on the ice pack in the cooler. This makes it easier at the end of the day to simply take out the plastic bin put it in the fridge. Take out the cooler pack and put in freezer.

All other foods non-perishable can go into the cooler and left in the cooler. Make sure lids are closed tight on the coolers at night.
