

October 2021

Parent Council currently has \$2,886.39 available. I can only see balances now so I have no information on what was spent between the last full detailed update, to now. This was also the amount I suspected we had. Now it is confirmed, in case you wanted to vote on the second item during the meeting, the reading portion.

Hot lunch program currently has \$331.32.

Class Trips has a balance of \$1,848.38. Will this be carried over until the year we have class trips?

I would be curious about why the hot lunch program only has \$331.32 after it was topped up by one or two \$5,000 donations before the pandemic.
